# Saunderskill Farm Market

As part of our commitment to our local partners and to Hudson Woods' buyers, we will be extending an account worth \$1000 at the wonderful Saunderskill Farm Market and Greenhouse to each of the first seven home owners.

Located in Accord, approximately 12 miles from the Hudson Woods property, Saunderskill is one of the is one of oldest farms in New York State having operated over 300 years in the hands of the Schoonmaker family. The Market sells fresh produce from 800 acres of vegetables and orchards while the Greenhouse carries a full seasonal range of flowers, plants and shrubs, grown in the farm's 15 separate greenhouses. Inside the Market, a large kitchen produces an array of baked goods and prepared foods, and on the grounds the family hosts activities and special events nearly every weekend.

Saunderskill farm is an indispensable part of the local community.
